

Mobility, Independence and Dignity

2021

ANNUAL REPORT

A MESSAGE FROM OUR CEO AND BOARD CHAIR

Dear Friends,

It is with great pride that as we write this letter, we celebrate Clinics Can Help's ten years of full-time service in Palm Beach County, serving over 18,000 children and adults since we launched. In fact, by the end of 2021 alone, we assisted over 3,200 children and adults and over 200 not-for-profit agencies.

We are proud of our history of starting an organization that has become a lifeline for thousands. We are honored that our model of organized recycling creates greater access to the medical equipment our residents need for a fast recovery, protection from injury, and the mobility, independence, and dignity they need for a quality level of life.

Thanks to you, we wrapped up 2021 with tremendous hope for the future. Our team has grown. Our programming is reaching even more people. We are expanding and doing vital work in our community. We are a vital resource for families searching for critical medical equipment such as hospital beds, wheelchairs, nebulizers, and more.

We are grateful for your help in supporting our mission to provide every child and adult with the medical equipment they need. You, our donors, our community partners, our board members, our staff, and our volunteers make this success possible.

Thank you for your generosity and cooperation that makes our work possible!

“As the parent of a child with special needs, I know how hard it can be to get the equipment needed to assist my son. We want Clinics Can Help to continue to help members of our community so everyone can benefit from their amazing services!”

Jennifer Gottlieb, Client Mother

OVERVIEW OF PROGRAMS

LENDING CLOSET

The Lending Closet provides surplus durable medical equipment and supplies to those in Palm Beach County who need it the most. The Lending Closet welcomes donations of new and gently used medical equipment including wheelchairs, walkers, shower chairs and so much more. We then clean, refurbish and repurpose the equipment making it available to those who would otherwise be unable to secure items for themselves. We also accept unopened, unused supplies such as wound care and incontinence items.

Thanks to the support of so many, in 2021 the Clinics Can Help Lending Closet **received and distributed medical equipment and supplies valued at over \$2,100,000.**

KINDER PROJECT

The Kinder (Kids In Need of Durable Equipment Right now) Project provides adaptive durable medical equipment and supplies at no cost for families with children with special needs. These items are vital for providing mobility, independence, and the opportunity for children to live their best lives. Monies from the annual Clinics Can Help Golf Classic, along with specific grants and donations, support the KINDER Project.

C.R.I.B.S PROJECT (Cribs R for Infant Baby Safety)

Initiated in 2010 with just 77 Pack 'N Play cribs, CCH launched its first crib giveaway to help families provide a safe sleep environment for newborns or infants. A decade later, and now

in collaboration with local nonprofits that serve women and children, we safely distribute over 500 cribs to families in need annually. Generous grants from the Law Enforcement Trust Fund of the Palm Beach County Sheriff's Office, as well as gifts from individuals, make this program possible with a greater reach every year.

MOBILE UNIT

Our Mobile Unit helps bridge the gap for those in acute need of medical equipment, but without easy access due to immobility and lack of transportation. Thanks to a \$100,000 grant from Impact the Palm Beaches, Clinics Can Help was able to purchase the unit, staff it with a physical

therapist and create a tipping point in healthcare that will allow residents in our community the mobility, independence, and dignity they deserve.

INTERNATIONAL RELIEF

In the past twelve months Clinics Can Help provided ten containers of medical equipment to seven different Caribbean countries, by providing the surplus supplies we have been unable to use here in South Florida.

2021 HIGHLIGHTS

Provided **500 cribs** to babies in need of a safe place to sleep.

Received a **\$100,000 grant** from Impact the Palm Beaches to purchase our 1st Mobile Unit.

January

Provided **over 200 not-for-profit agencies** PPE for pandemic relief.

CCH **expanded services** into Belle Glade, Florida.

June

CCH's **Annual Golf Tournament** was held at new location: Banyan Cay Resort and Golf.

July

Shipped **10 containers of durable medical equipment** and supplies to 7 different countries.

December

Provided **721 children with adaptive medical equipment** with help from our partners like Leeds Endowment.

A COMMITMENT TO OUR FUTURE

You can help provide mobility, independence and dignity with a variety of giving options.

PAVE THE WAY

A commemorative brick walkway welcomes CCH clients and guests to the entrance of the new building. You can purchase an engraved brick paver to help us create a lasting tribute to the thousands of local children and adults Clinics Can Help serves each year.

DONOR ADVISED FUNDS

Manage your charitable giving simply and efficiently with a donor advised fund (DAF). You can give through an existing giving account or create a DAF with Clinics Can Help.

LEAVE A LEGACY

Help keep the world you love healthy for future generations by making a gift through your will or retirement account.

PUT STOCK IN CHILDREN

You may be able to give more with less and save on taxes by using appreciated stocks, bonds or mutual funds to donate.

WOMEN'S CARING CIRCLE

Support a Women's Caring Circle giving level, and provide a baby a safe place to sleep.

To learn more about Gift and Estate planning
with CCH, contact our Director of Development,
Jamie Walton at 561-640-2995.

THANK YOU
